A Note From... Our President

CELEBRATE!!!

On May 14th we come together for our final meeting of the 2023-2024 club year to celebrate our accomplishments. We will present our grant awards to the charities we have chosen this year and scholarship awards to some very deserving graduating seniors. Our grants and scholarships this year are actually funded by monies raised last year. Our fundraising efforts this year will fund grants and scholarships next year, and so on.

I want to thank all of you for your efforts to continue to keep our community strong. I especially want to thank the Officers and Board members who do a great deal of work in the background, many of whom will be working throughout the summer preparing for next year.

I am proud to be a member of Women's Club of Newburgh as we continue to stay true to our mission to enrich, educate, and improve the quality of life for all citizens in the community.

Wishing you a wonderful summer and I can't wait to see what we accomplish together next year!

Donna Robinson
President 2023-2024

Important Announcements

A HUGE thanks to all who were involved in the April Style Show. A good time was had by all! Many thanks to Marilyn Southwood and Karen Stevens for heading up the show and to the ladies from Girl Friends who supplied the fashions. Also, we appreciate the ladies who modeled for us. Great job. We are looking forward to another season with Girl Friends next year.

Volunteers are needed for committees and events next year. Some signup sheets will be on the back table. If you would like to be a prayer leader and/or a greeter (easiest job in the club!) next year, please sign the sheets. Thanks to all who served this past year. The gals who are in charge of our membership book ask you to also sign up on our Google Form, for any and all committees you would like to serve on. It's easier for them to gather your info, especially valid emails and phone numbers, so you can be contacted about meetings, etc. Be sure to check the signup sheets on the back table and the Google Form for options. Committees are where we meet new people and develop friendships that carry over after the committees have fulfilled their obligations.

And speaking of obligations, as active members, we are all required to serve on at least one committee. Some only meet when needed. Others meet regularly or for a specific event like the auction or the craft show. You will be contacted by the chair if you are needed to serve on their committee. Some committees don't need all that many members. If you need help with the Google Form, please contact our Prez and she will put you in touch with a Google Form wizard. You may need to establish an email address.

Membership Payment

If members are paying dues by check, please ask them to write a separate check for their dues and not one check for dues and lunch. It speeds up the process, helps track payments and makes it much easier for banking purposes.

Jan Bell

Sadly, on April 1st, we lost another former member, Jan Bell. Jan served as president a few years ago and a faithful member for several years. She was a friend to everyone and will be greatly missed. Our thoughts and prayers go out to her family.

Request... Monthly Donations

This month your donations will benefit the Newburgh Food Bank. Shelf stable items, paper and hygiene items are appreciated

Thank You!

As we head into the summer break, it's important that we all take a moment to reflect on why each of us joined this club. Let's revisit the passion and purpose that brought us together in the first place. Over the summer, I encourage you to ponder what initially inspired you to be a part of this community. Was it the desire to make a difference, the joy of helping others, or the opportunity to be part of something meaningful? Whatever it was, let's reignite that spark and carry it with us as we enjoy the break. Our collective enthusiasm and dedication are what drive us forward, and reconnecting with our motivations will only strengthen our commitment to our cause. So, take some time to reflect, and let's come back refreshed and inspired to continue making a positive impact together.

Wishing you all a wonderful summer!
