## A Note From... Our President

“Try to be a RAINBOW in someone else’s cloud.”

~~Maya Angelou

What a great time to be alive! On Monday, March 8, we have the very rare opportunity to experience a total solar eclipse. This is a “once-in-a-lifetime” opportunity, as any individual location can expect a total solar eclipse every 350-400 years. Make your plans, have the proper eyewear, and don’t blink because totality lasts only about 3 minutes here.

I am sure we will all be comparing notes when we come together for our April meeting the next day. I am excited for our Style Show this month with fashions provided by Girlfriends Boutique in downtown Newburgh. Wear your prettiest hat that day to join in the fun (if you like).

We will vote on the grant distribution as was presented at last month’s meeting. Please refer to the minutes of last month’s meeting for detailed information as there will be no discussion prior to the vote this month.

We will also vote on the 2024-2025 slate of officers as presented by the Nominating Committee last month. Nominations from the floor are allowed, but only with the prior knowledge and agreement of the nominee.

Have a very Happy and Blessed Easter, and Ramadan Kareem to our Muslim friends.

Donna Robinson  
President 2023-2024
